

A1

Compact Body Camera

A 50 g clip-on recorder with separate video and audio modes, removable storage and USB-C transfer.

Product view

Keep recording simple

A physical slider selects video or audio-only capture, with dedicated operating indicators.

Wear and transfer

The rotating clip supports different wearing angles. Transfer files by USB-C or removable memory card.

Check power at a glance

Four battery LEDs show remaining charge. Manually activated infrared lighting supports low-light recording.
