Computing, storage & software

Computing hardware	Onboard CPU and memory; specification unconfirmed by revision
HDD options	4 / 16 / 20 TB; installed capacity to confirm
System platform	Windows; installed release to confirm
Collection software	Client edition, version and license scope to confirm

Reference power, cables & shipping

Mains input	220 V AC reference configuration; confirm supplied input label
Power-supply rating	Unconfirmed; depends on cabinet hardware revision
Fuse	220 V, 10 A in the reference configuration
Camera cable set	20 x 5-pin USB cables in the 20-port reference kit
Other cables	RJ45 cable; 1.8 m European-plug power cable in the reference kit
Shipping case	Wooden; 1600 x 600 x 600 mm; 80 kg packed reference weight

Configuration notes

Confirm ports, CPU, RAM, storage, Windows release and power supply as one cabinet revision.

Confirm camera connectors, collection client, license scope and regional power cable.

Shipping dimensions and packed weight describe the case, not the bare cabinet.
